Dear Sirs,

The attached re-submittal needs no corrective measures. It was rejected without merit. Statute ARS§ 29-601 et seq., pertains to all statutes required by law of the State of Arizona regarding the formation and all subsequent rules and regulations pertaining Limited Liability Company conduct of business. If in fact an Arizona Revised Statute has changed regarding the formation of a Limited Liability Company as the rejection letter has indicated but does not identify, it would still be covered and included in the Phrase ARS§ 29-601, et seq., as ARS 29-601 is the first Statute pertaining to LLCs. For your convenience, I have provided two definitions from a couple of dictionaries.

## Et Seq.

*An abbreviation for the Latin et sequentes or et sequentia, meaning "and the following."*

The phrase *et seq.* is used in references made to particular pages or sections of cases, articles, regulations, or statutes to indicate that the desired information is continued on the pages or in the sections following a designated page or section, as "p. 238 *et seq.*" or "section 43 *et seq.*"

The abbreviation *et seq.* is sometimes used to denote a reference to more than one following page or section.
